# Hymn of Promise

In the bulb there is a flower;  
in the seed, an apple tree;  
in cocoons, a hidden promise:  
butterflies will soon be free!  
In the cold and snow of winter  
there's a spring that waits to be,  
unrevealed until its season,  
something God alone can see.

There's a song in every silence,  
seeking word and melody;  
there's a dawn in every darkness  
bringing hope to you and me.  
From the past will come the future;  
what it holds, a mystery,  
unrevealed until its season,  
something God alone can see.

In our end is our beginning;  
in our time, infinity;  
in our doubt there is believing;  
in our life, eternity.  
In our death, a resurrection;  
at the last, a victory,  
unrevealed until its season,  
something God alone can see.

## **Exodus 1:1-14**

These are the names of the sons of Israel who came to Egypt with Jacob, each with his household: <sup>2</sup> Reuben, Simeon, Levi, and Judah, <sup>3</sup> Issachar, Zebulun, and Benjamin, <sup>4</sup> Dan and Naphtali, Gad and Asher. <sup>5</sup> All the descendants of Jacob were seventy persons; Joseph was already in Egypt. <sup>6</sup> Then Joseph died, and all his brothers and all that generation. <sup>7</sup> But the people of Israel were fruitful and increased greatly; they multiplied and grew exceedingly strong, so that the land was filled with them.

<sup>8</sup> Now there arose a new king over Egypt, who did not know Joseph. <sup>9</sup> And he said to his people, "Behold, the people of Israel are too many and too mighty for us. <sup>10</sup> Come, let us deal shrewdly with them, lest they multiply, and, if war breaks out, they join our enemies and fight against us and escape from the land." <sup>11</sup> Therefore they set taskmasters over them to afflict them with heavy burdens. They built for Pharaoh store cities, Pithom and Raamses. <sup>12</sup> But the more they were oppressed, the more they multiplied and the more they spread abroad. And the Egyptians were in dread of the people of Israel. <sup>13</sup> So they ruthlessly made the people of Israel work as slaves <sup>14</sup> and made their lives bitter with hard service, in mortar and brick, and in all kinds of work in the field. In all their work they ruthlessly made them work as slaves.

# His Eye is on the Sparrow

Why should I feel discouraged?  
Why should the shadows come?  
Why should my heart be lonely  
and long for heaven and home,  
when Jesus is my portion?

My constant friend is he:  
his eye is on the sparrow,  
and I know he watches me;  
his eye is on the sparrow,  
and I know he watches me.

I sing because I'm happy,  
I sing because I'm free,  
for his eye is on the sparrow,  
and I know he watches me.

“Let not your heart be troubled,”  
his tender word I hear,  
and resting on his goodness,  
I lose my doubts and fears;  
though by the path he leadeth

but one step I may see:  
his eye is on the sparrow,  
and I know he watches me;  
his eye is on the sparrow,  
and I know he watches me.

I sing because I'm happy,  
I sing because I'm free,  
for his eye is on the sparrow,  
and I know he watches me.

Whenever I am tempted,  
whenever clouds arise,  
when song gives place to sighing,  
when hope within me dies,  
I draw the closer to him;  
from care he sets me free:  
his eye is on the sparrow,  
and I know he watches me;  
his eye is on the sparrow,  
and I know he watches me.

I sing because I'm happy,  
I sing because I'm free,  
for his eye is on the sparrow,  
and I know he watches me.

# Not Afraid

I have this confidence because  
I've seen the faithfulness of God  
The still inside the storm  
The promise of the shore

I trust the power of Your word  
Enough to seek Your kingdom first  
Beyond the barren place  
Beyond the ocean waves

When I walk through the waters, I won't be overcome  
When I go through the rivers, I will not be drowned  
My God will make a way, so I am not afraid

You keep the promises You make  
There isn't one that is delayed  
So I will not lose heart  
Here, I will lift my arms

And start to sing into the night  
My praise will call the sun to rise  
Declare the battle won  
Declare that it is done

When I walk through the waters, I won't be overcome  
When I go through the rivers, I will not be drowned  
My God will make a way, so I am not afraid  
When I am in the fire, I will not feel the flames  
I'll stand before the giant, declaring victory  
My God will make a way, so I am not afraid

Before me, behind me, Always beside me  
No shadow, no valley, Where You won't find me  
No, I am not afraid

Before me, behind me, Always beside me  
No shadow, no valley, Where You won't find me  
No, I am not afraid, No, I am not afraid

When I walk through the waters, I won't be overcome  
When I go through the rivers, I will not be drowned  
My God will make a way, so I am not afraid

When I am in the fire, I will not feel the flames  
I'll stand before the giant, declaring victory  
My God will make a way, so I am not afraid...  
My God will make a way, so I am not afraid  
No, I am not afraid, no, I am not afraid

# You Say

I keep fighting voices in my  
mind that say I'm not enough  
Every single lie that tells me  
I will never measure up  
Am I more than just the sum of  
every high and every low?  
Remind me once again just who I am  
because I need to know

You say I am loved when I can't feel a thing  
You say I am strong when I think I am weak  
And You say I am held when I am falling short  
And when I don't belong, oh, You say I am Yours  
And I believe, oh, I believe  
What You say of me  
I believe

The only thing that matters now  
is everything You think of me  
In You I find my worth  
in You I find my identity, ooh oh

You say I am loved when I can't feel a thing  
You say I am strong when I think I am weak  
And You say I am held when I am falling short  
When I don't belong, oh, You say I am Yours  
And I believe, oh, I believe  
What You say of me  
Oh, I believe

Taking all I have and now I'm layin' it at Your feet  
You'll have every failure God  
You'll have every victory, ooh oh

You say I am loved when I can't feel a thing  
You say I am strong when I think I am weak  
You say I am held when I am falling short  
When I don't belong, oh, You say I am Yours  
And I believe, oh, I believe  
What You say of me  
I believe

Oh, I believe, yes, I believe  
What You say of me  
I believe (oh)

# Lord, I Need You

Lord, I come, I confess  
Bowing here I find my rest  
Without You I fall apart  
You're the One that guides my heart

Lord, I need You, oh, I need You  
Every hour I need You  
My one defense, my righteousness  
Oh God, how I need You

Where sin runs deep Your grace is more  
Where grace is found is where You are  
And where You are, Lord, I am free  
Holiness is Christ in me  
And where You are, Lord, I am free  
Holiness is Christ in me

Lord, I need You, oh, I need You  
Every hour I need You  
My one defense, my righteousness  
Oh God, how I need You

So teach my song to rise to You  
When temptation comes my way  
When I cannot stand I'll fall on You  
Jesus, You're my hope and stay  
When I cannot stand I'll fall on You  
Jesus, You're my hope and stay

Lord, I need You, oh, I need You  
Every hour I need You  
My one defense, my righteousness  
Oh God, how I need You  
You're my one defense, my righteousness  
Oh God, how I need You  
My one defense, my righteousness  
Oh God, how I need You

# **We'll Understand it Better Bye and Bye**

We are often tossed and driven  
On the restless sea of time.  
Somber skies and howling tempests  
oft succeed a bright sunshine.  
In that land of perfect day,  
When the mists have rolled away,  
We will understand it better by and by.

By and by when the morning comes,  
When the saints of God are gathered home  
We will tell the story how we've overcome  
For we'll understand it better by and by.

We are often destitute  
Of the things that life demands.  
Want of food and want of shelter,  
thirsty hills and barren lands.  
We are trusting in the Lord,  
And according to his Word,  
We will understand it better by and by.

By and by when the morning comes,  
When the saints of God are gathered home  
We will tell the story how we've overcome  
For we'll understand it better by and by.

Trials dark on every hand,  
And we cannot understand,  
All the ways that God would lead us  
to that blessed Promised Land.  
But he guides us with his eye  
And we'll follow till we die.  
For we'll understand it better by and by.

By and by when the morning comes,  
When the saints of God are gathered home  
We will tell the story how we've overcome  
For we'll understand it better by and by.

Temptations, hidden snares  
    Often take us unawares,  
And our hearts are made to bleed  
for some thoughtless word or deed.  
    And we wonder why the test  
    When we try to do our best,  
But we'll understand it better by and by.

    By and by when the morning comes,  
When the saints of God are gathered home  
We will tell the story how we've overcome  
For we'll understand it better by and by.

# Great Are You Lord

You bring light to the darkness  
You give hope, You restore  
Every heart that is broken, Great are You, Lord
